

“SACRAMENTS”

This study guide is intended to be used for personal study and within your community group to facilitate discussion.

- 1) What is the purpose of water baptism?
- 2) What does it mean to “identify” with Jesus?
- 3) What is one committing to in baptism?
- 4) What is the purpose of partaking in communion?
- 5) Communion points us to at least 4 things. Of the 4 points given on Sunday, which are you most aware of when coming to the Lord’s Table, and which have given you a broader understanding of communion? (salvation, worship, future hope, mission)
